Gentlemen:

The purpose of this letter is to request an extension to the period to informally resolve the OU 9 dispute at the project coordinator level. In our meeting to discuss the dispute of September 19, 1994, the Department of Energy (DOE) agreed to deliver to you the information regarding the RCRA permit application for these tanks. We have not yet finished compiling that information, this will require more time.

Since we have not yet delivered the information you requested, and have only had the opportunity for one meeting, DOE is requesting an extension of the informal dispute resolution period until September 30, 1994. After we supply you with the requested information, I would like to discuss the need for another meeting on this subject.

If you have any questions please call me at 966-4839.

Sincerely,

Steven W. Slaten
IAG Project Coordinator
